I told him that as he recalled the Senate passed the bill originally proposed by Senator Case (S. 18) but the Foreign Affairs Committee, after hearings on the subject, had reported S. 18 with language substituted by Mr. Fascell which provides for one year of funding of the Radios by the State Department pending the completion of a study on the whole subject of support of other similar organizations. I said my last information was that the this was now pending in the House Rules Committee.
